

Prodjuser UC2 Universele flightcase met afneembaar deksel model 2

Model: 089UC2
Merk: Prodjuser

The Universal case 2 is a bigger case than UC-1, but also designed for general use. Size is big enough to hold a LCD projectors, camera set including flash, some lenses, wireless set with couple microphones, or simply anything you can fit into it. Very close to a reasonable briefcase size yet easy to carry with you. Still, despite the price, the UC-2 is definitely a professional case and will protect your valuables with ease.

Inside you will find a special type of square foam that can easily be modified by hand or using a sharp knife (be careful with sharp knives).

Check out these great pro features:

- Made of 6mm Birch Plywood and finished with a hard black top layer
- PENN ELCOM™ hardware
- Butterfly locks (except UC1)
- Foam covered handle
- 4 rubber feet
- Hinged Lid (detachable)
- Width 585mm, Height 170mm, Depth 152mm
- Weight: 6kg
