

Showtec Event Bar 2 CCT - 2x 20 W White Battery LED Bar - 44120

Model: 00344120

Merk: Showtec

Omschrijving

The Showtec Event Bar Duo is a battery LED bar with 2 x 20 watt Spots. It has a quiet, fanless operation and is therefore suitable for any type of event. The colour temperature is adjustable in 4 steps from 3000 K to 6000 K. You can choose between a cold, neutral and warm white output.

The battery of the Event Bar Duo lasts between 4 and 8 hours. The duration of the battery depends on the desired mode in which you have it. A 25 ° diffuser is included to increase its 10 ° fixed beam angle. A suitable carrying case is also included 2 snap fasteners, an infrared remote control and power adapter.

You can easily attach the Event Bar Duo to a truss or pipe & drape. It is equipped with magnets, M10 holes on the back of the unit and two spigots with which you can attach it directly to Wentex Pipe & Drape systems.
