

Synq SQ-218 DOLLY

Model: 092B09192 Merk: Synq

Custom-made dolly for quick and safe transport of the SQ-subwoofer.

- Custom-made dolly for quick and safe transport of the SQ-subwoofer.
- Thanks to a special heavy-duty mechanism the dolly fits easily on the front of the subwoofer to fully protect it during transport.
- 1st choice Baltic birch plywood with scratch free black textured polyurea finishing.
- 4 heavy-duty 100mm "soft rubber" castors, 2 are equipped with brakes.
- Several dollies can be stacked for easy storage.
