

Prodjuser TT1200L RS flightcase voor Technics SL1200 of andere diverse draaitafels

Model: 089TT1200LRS

Merk: Prodjuser

Professional flight case for Universal turntable case.

Turntable Flightcases are especially designed for heavy duty use.

As we already use the best hardware on the market, we applied top quality birch wood for production, this makes the case stronger and can withstand the force of the typical Roadie or cargo handlers on the airports.

As rental companies today prefer to show as less flightcase as possible, we have designed this case with a low bottom
