

NewHank Stream IT 3

Model: 089NEWHANKSTREAMIT3

Merk: Newhank

Stream IT 3 is a high-end audio preamplifier with streaming services over network and Bluetooth aptX HD connectivity. Using Stream IT in your system enables you to stream music from your smart device, USB, NAS or streaming services such as Spotify, Tidal or Qubuz in high resolution with use of the 4STREAM App, AirPlay, Bluetooth or via the local RCA (analog) or Toslink optical (digital) inputs. Connect your amplifier or powered loudspeakers to the analog RCA LeftRight- Sub outputs or digital via RCA coax or Toslink optical. Using multiple units you can set up a multiroom system for home or office audio distribution.

Key Features

- Stream music via network without distance limitation or Bluetooth 5.0 up to 15 meters.
- Bluetooth 5.0 aptX HD for true high resolution music.
- Airplay, Spotify Connect, Qplay, DLNA, UPnP protocol and 3rd party app compatible.
- Support streaming source from online services, smart device memory, USB pen drive, NAS, Bluetooth and line in.
- Multiroom and multizone streaming enabled by multiple units connected in same network.
- All music sources can be restreamed in sync to multiple units.
